Organizational Meeting

POLICIES

Council meetings - Referring to an Ordinance that was passed in 2000, Ordinance No. 2000-42, which sets the date and time for the council meetings.

Mrs. Vail made a motion to re-adopt Ord. 2000-42, Mrs. Seavolt, second, all in favor.

Council Committee Structure - Referring to Ordinance 2006-01 - specifies the committee structure.

President Pro-Tem Election - President Hawkins asked for a motion for President Pro-Tem. Mr. Barone made a motion to nominate Mrs. Vail to continue as President Pro-Tem, Mr. Francis, second, all in favor, **Mrs. Vail is President Pro-Tem.** In the matter when the President and the Pro-Tem are not present, it has been the policy that the senior most member fill-in, but we do happen to have at this particular time, 3 people with the same seniority, Mr. Francis, Mr. Barone and Mrs. Seavolt. Would you like to select an alternate now or wait until that particular meeting, Mrs. Vail made a motion to nominate Mr. Barone as alternate Pro-Tem, Mr. Starr, second, all in favor, **Mr. Barone is the alternate Pro-Tem.**

Council Service Dates - That list was in your packet as well to show who has seniority.

Meeting Dates and Holidays - There are some changes to those dates due to holidays falling on council Monday's, the meeting will be moved to a Tuesday.

Council Do's and Dont's - I sent a memo with do's and dont's.

Public Participation - President Hawkins explained if people want to speak, by law it's not required, but this council has always allowed public participation and we do that at the beginning of the meeting. They can talk on matters not covered by legislation for that evening and they fill out this form in order to speak before council. If they want to talk on a matter that is on the agenda they need to come to a committee meeting or the chair of that committee could address that person and ask them to speak during the discussion portion.

City Council Minutes and Committee Meeting Minutes – The clerk will take the minutes of the city council meeting, each council person will do the minutes of their particular committee meeting. When we go into executive session, the minutes are not detailed, they are just why we went into executive session, when we went into executive session with the roll call vote and when we exited the executive session with the roll call vote.

Committee Meeting Forms – Ms. Newell has those and any time that you run out she will give you additional forms.

Summer Casual Dress Policy – We normally dress up during the nine months and in June, July and August we have had a policy that we are more informal during the summertime. Are there any objections to that policy?

Mr. Menapace – If I may, the Request to Speak at City Council on Matters Not Covered by Legislation, in my packet there is a section highlighted yellow and not sure if that is something that we should have spoke about? It did draw my attention, it states that to speak you must submit by noon by the Friday before council?

Mr. Hawkins – That is in order for her to get it on the agenda for us to know in advance. They can come in the night of council and fill it out 15-minutes before the meeting starts.

Mr. Barone – I would like to raise the topic for discussion about our policy of only having the one meeting during the summer? It seems like last summer our workload was extraordinarily heavy and I think we did add a couple of meetings on the fly and I'm just wondering if this has always been this way or?

Mr. Hawkins – It has and we discussed that after our orientation meeting and the only time that we had extra meetings was last June. July and August we actually didn't have many agenda items to cover those two meetings. Of course last year was a different year because we didn't have the money to spend, but we also mentioned in the orientation meeting to keep those other meeting dates open in case we need to have a meeting.

Mr. Barone – It just seemed to me and maybe it was just that there were a lot of things that I was trying to get accomplished last summer in terms of the Charter question and we ultimately pulled that, but it seemed like we were scrambling trying to meet some deadlines.

Mr. Menapace – If I may, a lot of times we have to move money around for Terry, the city doesn't stop working in the summer months, is it beneficial to have us available on those nights or no you're just accustomed to working around it?

Mr. Scott – Spoke from the audience and couldn't be understood from recording.

Mayor – From an administrative perspective, it does seem June is the first time we go to a single meeting and beginning of summer we are struggling to push projects in and get projects bid and that sort of thing. It is, no matter what and last year we did have a special meeting regardless of the charter project. I think that every municipal government has a construction season that has to be bid so we do push to get things in and last summer we were also talking a lot about the utility rates at that time so there were some unusual situations there. If felt free and have never felt criticized to call a special meeting.

Mrs. Vail – I'd rather have a time when council members can plan a vacation or whatever and it's a

light load at council and chances are remote that we would have to have a special meeting rather than members having to miss meetings.

Mr. Hawkins – Since I've been on council we've had 3 meetings in one week because we did not have enough people here to suspend the rules so we had very brief meetings, but there were issues that we had to come in and meet two times in one week because we couldn't suspend. That's only happened once or twice in my tenure, but it has happened.

Mr. Menapace – When we talk about committee meetings, we always have the committee meetings before the regularly scheduled council meeting? Have we ever thought about that off Monday? Just making that committee meetings?

Mr. Hawkins – That would be up to that committee chair.

Mrs. Vail – We used to have committee meetings that were an hour or two hours in length and they were always on other nights rather than council nights. Often times a 15-minute meeting is not adequate for a discussion that we need to have on an issue. So I would advocate that when there is something that needs greater discussion than 15- minutes let's have a meeting on another night or another time.

Mr. Gottke – But that is at the discretion of the committee chair? It's just become kind of casual habit that we do it.

Mrs. Seavolt – You can ask for 20-minutes or a half and hour if you want.

Mr. Gottke – But to the point about having a more reliable schedule, wouldn't it make more sense if we said we're going to do committee meetings set aside on this night and if there aren't any then there aren't any, but it seems now that we're just sort of having them whenever we want.

Mrs. Vail – The alternate Monday's.

Mr. Gottke – That sounds reasonable to me.

Mr. Barone – Well I agree that 15-minutes just doesn't allow much opportunity for discussion.

Mr. Menapace – I think if we got ourselves in the habit of the first and third Monday's of the month are committee meetings and the second and fourth are council meetings. I think that works with the administration they know when to get us legislation, we can talk about it, we don't ever feel rushed, we feel comfortable with what we are about to vote on the following week. I really do think that once we got into that habit, it would make things flow better.

Mrs. Vail – I don't think those alternate weeks' meetings should be hard and fast scheduled. I think that we should all should be notified if there's going to be a meeting. That's easier than having to let everybody know, every week, there's no meeting this week.

Mr. Barone – I think there has to be some effort if we are going to be using the alternate Monday's, rather than having one, 30 to 45 minute meeting one Monday and another one two weeks later, to try and make an effort to consolidate those back to back on that off Monday.

Mr. Gottke – This doesn't take a vote or anything, this is just us kind of agreeing that we are going to try this.

Mr. Broeren – The one thing we have to be cognitive of is that public meetings have to be properly advertised. So you have to give Tanya enough time before the actual meeting date so that she can get it in the newspaper and make the other arrangements so that we can let the constituents know that there will be that meeting.

Mr. Barone – Functionally how far ahead do you need to know so you have time?

Ms. Newell – I'd have to look.

Mr. Broeren – We'll have to look, but I just wanted everyone to know that we have to be sure to give proper notice of any of these committee meetings that you are holding outside of the normal grouping.

APPOINTMENTS

President Pro-Tem – Mrs. Vail was nominated and voted as President Pro-Tem.

Clerk of Council – Mr. Barone made a motion to appoint Tanya Newell as Clerk of Council, Mrs. Seavolt, second, all in favor, **Tanya Newell is appointed as Clerk of Council.**

Assistant Clerk of Council – Mrs. Vail made a motion to appoint Lindsay Hoar as Assistant Clerk of Council, Mr. Francis, second, all in favor, **Lindsay Hoar is appointed as Assistant Clerk of Council.**

Audit Review Committee – In the past I have been on this committee, right now it is Sally Nelson, Vickie Sant and myself and our Auditor is there. If you want to reappoint me to that, that is fine, if not we need to appoint someone else. Mr. Francis made a motion to appoint Mr. Hawkins to the Audit Review Committee, Mrs. Seavolt, second, all in favor, **Mr. Hawkins is appointed to the Audit Review Committee.**

City Data Board – This board hasn't met for awhile, but we need to have the City Data Board in case questions were to come up, the Auditor wants to know that we have those types of things to review city data. I've been involved in data, Jeff you've been involved in data too, so the two of us would be logical people. Mr. Gottke made a motion to appoint Mr. Hawkins to the City Data Board, Mrs. Seavolt, second, all in favor, **Mr. Hawkins was appointed to the City Data Board.**

Shade Tree and Beautification Commission – We need an ex-officio member for the Shade Tree Commission, Mr. Menapace made a motion to appoint Mr. Starr as council representative on the Shade Tree and Beautification Commission, Mrs. Seavolt, second, all in favor, **Mr. Starr is appointed as the ex-officio council representative on the Shade Tree and Beautification Commission.**

Visitor's Bureau – Mrs. Seavolt made a motion to nominate Mrs. Vail to the Visitor's Bureau, Mr. Barone, second, all in favor, **Mrs. Vail is nominated as the council representative to the Visitor's Bureau** and legislation will be on the January 22, 2018 agenda for this appointment.

Main Street Mount Vernon – Mrs. Vail made a motion to nominate Mr. Gottke to Main Street Mount Vernon, Mr. Menapace, second, all in favor, **Mr. Gottke is nominated as the council representative to Main Street Mount Vernon** and legislation will be on the January 22, 2018 agenda for this appointment.

BE IT RESOLVED by the Council of the City of Mount Vernon, State of Ohio:

SECTION 1: Confirming council's appointment of Kenneth Reynolds, Jr., 1424 Greenbrier Drive, Mount Vernon, to the Local Board of Tax Review for a two-year term, pursuant to Section 183.18(A) of the Codified Ordinances of the City of Mount Vernon. The term will commence immediately upon passage of this resolution and expire January 1, 2020.

SECTION 2: This Resolution is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety, and for the further reason of ensuring a full membership on the Local Board of Tax Review, and said Resolution shall, therefore, become effective upon its date of passage and approval by the Mayor, provided that it receives the affirmative vote of two-thirds (2/3) of the members elected to the Council of the City of Mount Vernon; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

COMMENTS - Current Meeting:

Mr. Francis - Appointing Mr. Reynolds to the Tax Review and I think we all know him.

Mayor - Ken is recently retired from Ariel, he knows what he is doing. He is serving with Gordy Yance. Gordy retired from First Knox and is the second member, the third member moved out of town last year. We don't use this board often, only when there is an issue about the city income tax, whether we've withheld the wrong amount or there is a question about that, they meet. We will be meeting a third member, but Ken has taken a re-appointment.

RESOLUTION 2018-05

A RESOLUTION CONFIRMING THE MAYOR'S APPOINTMENT OF GREG DRABICK TO THE RECREATION BOARD FOR A FIVE YEAR TERM; AND DECLARING AN EMERGENCY.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Mount Vernon, State of Ohio:

SECTION 1: That the Council for the City of Mount Vernon confirm the Mayor's appointment of Greg Drabick, 23 Kester Drive, Mount Vernon, Ohio, to the Recreation Board for a five (5) year term commencing immediately and will expire January 8, 2023.

SECTION 2: This Resolution is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety, and for the further reason that an emergency exists in the usual daily operation of the various departments of the municipal government and said Resolution shall, therefore, become effective upon its date of passage and approval by the Mayor, provided that it receives the affirmative vote of two-thirds (2/3) of the members elected to the Council of the City of Mount Vernon; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

COMMENTS - Current Meeting:

Mayor - Greg Drabick has spent at least the last 15 years as President of the girls softball. He decided to step down last year. We became acquainted and I checked with Jerry Clinger who is the Recreation Director and he felt that Greg had experience, he kind of knew what we were doing in the recreation programs in the city and I spoke with Greg and felt like he was pleased to do it. Greg is taking the place of Ken Lane.

Mrs. Seavolt - He'll be a great addition.
